Thanks to pig-pal Rose Goodier of Manchester who sent me this clipping from the Daily Mail!

**PIGGY ON THE RUN . . .**  
PERCY the pig saved his bacon at the last minute with a desperate dash for freedom. As two slaughtermen approached him at an abattoir in Minehead, Somerset, he sprang and jumped a 3ft foot fence and ran off down the High Street. That was a week ago, and he hasn't been seen since.

Dear Uncle Pigg,  
I have noticed that you  
always have perfect  
piggy teeth! don't pigs  
take pride in being  
dirty?

- A. Kingham, Dorking

I like being muddy, but I keep my teeth in good condition, in case I have to bite an attacking butcher! I always eat sugar-free swill, and brush my teeth after every meal (i.e. 15 times a day)!  
— Uncle Pige

A booby-prize to Nicholas Eumerton of London, for praising this horrid comic with this poem...

ONK IS BRILL, ONK IS FAR,  
ONK IS BETTER THAN A SHERBET DAB,  
ONK IS FAR, ONK IS BRILL,  
ONK IS BETTER THAN A BUCKET OF SWILL!

Your poem's rotten, and really nasty. It's almost as revolting as a pig-swill pasty!

## DELIA NIFF'S OINK! RECIPES!

## RUBBISHMAN SALAD

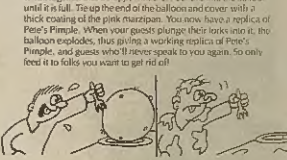

**INGREDIENTS:** 2 tin cans, 4 empty crisp packets, 1 mouldy

**METHOD:** Gather the solid ingredients together and place them in a large dustbin lid. Cover with the custard and mix with a stale French loaf. Then find someone you don't like and leave it off on their doorstep.

## PETE'S PIMPLE PUDDING

**INGREDIENTS:** 1 large balloon, tins of custard, fairy cream, pink marzipan.

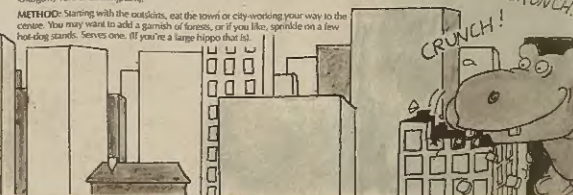

**METHOD:** Pour the custard and cream into a large bowl and whisk together into a sloppy mixture. Pour (1/3 into the balloon until it is full. Tie up the end of the balloon and cover with a thick coating of the pink marzipan. You now have a replica of Pete's Pimple. When your guests plunge their forks into it, the balloon explodes, thus giving a working replica of Pete's Pimple, and guests who'll never speak to you again. So only feed it to folks you want to get rid of!

## HUGO THE HUNGRY HIPPO'S QUICK SNACK

**INGREDIENTS:** Any fairly large town or city (I recommend London, Oxford, Glasgow, York or Birmingham).

**METHOD:** Starting with the outskirts, eat the town or city-working your way to the center. You may want to add a garnish of forests, or if you like, sprinkle in a few hot-dog stands. Serves one. (If you're a large hippo that is.)
